Chaddock Chalkline is a refined assortment of tailored upholstery silhouettes. Designed with modern style, sensibilities and scale in mind, the made-to-order range adds even more options to Chaddock's custom upholstery portfolio, including five chair styles. Pair the extremely comfortable Chalkline seat with a choice of five unique arm styles and five base options. The cockpit of each design is consistent, so no matter which style you choose the seat will be the same—and equipped with our exclusive All Luxe premium cushion system.
