

SIMPLIFIED. NOT SIMPLISTIC.

INTRODUCING *fig* BY CHADDOCK

CONFIGURABLE DESIGNER CASEGOODS

fig by Chaddock makes it easy to create custom, American made casegoods quickly and easily, all without sacrificing quality and designer detailing. Drawing on years of bespoke woodworking in our North Carolina workroom, our team developed a program to provide flexibility and freedom while streamlining design, engineering and manufacturing.

The result is *fig*

The industry's finest and simplest program for configurable, benchmade casegoods.

4 Once the case is complete, select a wood species.

A. Oak

B. Maple

5 Then, pick from our range of standard and premium finishes.

Select from over 70 artisanal finishes on our website. Specify sheen level (from low to high) and distressing level (from minimal chain to heavy).

6 Finally, select Chaddock or Nest Studio hardware—or supply your own!

Select from over 20 standard hardware options or browse our collection of Nest Studio hardware on our website. Choose one, mix and match what you see or supply your own for us to add your personalization to the final piece. (Note: upcharges will apply for Nest Studio Hardware)
